### INSTRUCTIONS FOR DAY OF SURGERY

**Prescription:** A prescription for eye drops may be provided to you prior to your procedure and if not should be obtained prior to your surgery. Please bring these eye drops with you on the day of surgery.

#### Instructions:

- Have a companion accompany you. **YOUR COMPANION MUST DRIVE YOU HOME.** We encourage family and friends who are interested in the procedure to accompany you.
- Valium, a mild relaxant, will be given to you after you arrive at the center and have signed your informed consent.
- DO NOT consume any alcohol or sedatives that could make you drowsy prior to entering the center.
- Please eat a light meal before your procedure. Avoid food or beverages containing caffeine.
- Take any medications as you normally would. You should also have already discussed medications with the doctor at your exam.
- DO NOT wear any clothing that is fuzzy or restrictive. Dress comfortably. The laser room may be cold.
- DO NOT use any hairspray, perfume or scented bath gels/soaps the day of your procedure.
- DO NOT wear any make up the day of your procedure. Remove all makeup completely the evening before your procedure.
- Plan to be at the center for approximately 2 hours.

**If you have any questions please do not hesitate to contact us at 407-894-8081**
